# *Teach a Class in Egg Cookery on Us!*

***(Egg Cookery Reimbursement Form)***

Beginning cooks need to learn about the goodness of eggs and what resources are available. Since eggs are one of the most versatile, easy to prepare, economical, and nutritious foods, why not use them in your foods classes?

The Poultry & Egg Division of the Nebraska Department of Agriculture will reimburse Foods and Catering Teachers ***$6.00 per egg cookery lesson taught*.** Complete this form and send to the address below. Make sure you indicate the number of egg cookery lessons(s) taught, and specify the semester and year.

***Note:**

- No payment for eggs will be given for cake or cookie lessons *except* for pound cakes, angel food cakes or chiffon cakes.
- No payment will be given for any fund raising activities.
- No payment will be given for lessons taught on boiling omelets/scrambled eggs.
- Payment will not be made until the classes are completed for the semester.
- Payment may be automatically deposited into your school's account by the State of Nebraska.
- This program is for Nebraska teachers only.
