Teach a Class in Egg Cookery on Us!

(Egg Cookery Reimbursement Form)

Beginning cooks need to learn about the goodness of eggs and what educational resources are available. Since eggs are one of the most versatile, easy to prepare, economical, and nutritious foods, why not use them in your foods classes?

The Poultry & Egg Division of the Nebraska Department of Agriculture will reimburse Family and Consumer Science Teachers ***$6.00 per egg cookery lesson taught*.** Complete this form and send or fax to the address below. Make sure you indicate the number of egg cookery lessons(s) taught and specify the year and semester. (List type of egg cookery lessons taught on reverse side of form.)

***Note:**

- No payment for eggs will be given for cake or cookie lessons *except* for angel food cakes, cheesecakes, chiffon cakes, or pound cakes.
- No payment will be given for any fund raising activities.
- No payment will be given for lessons taught on boiling omelets/scrambled eggs in plastic bags.
- Payment will not be made until the classes are completed for the semester.
- Payment may be automatically deposited into your school's account by the State of Nebraska.
- This program is for Nebraska teachers only.
